International Conference on Physical Education and Sports Science

ICPESS
January 5 – 7, 2017

Organized By
Manipal University Jaipur

http://www.icpess17.com
About Jaipur

Jaipur is the capital and largest city of the Indian State of Rajasthan in Northern India. It was founded on 18 November 1727 by Maharaja Sawai Jai Singh II, the ruler of Amber, after whom the city is named. The city today has a population of 3.1 million. Jaipur is known as the Pink City of India.

The city is unusual among pre-modern Indian cities in the regularity of its streets, and the division of the city into six sectors by broad streets 34 m (111 ft) wide. The urban quarters are further divided by networks of gridded streets. Five quarters wrap around the east, south, and west sides of a central palace quarter, with a sixth quarter immediately to the east. The Palace quarter encloses the Hawa Mahal palace complex, formal gardens, and a small lake. Nahargarh Fort, which was the residence of the King Sawai Jai Singh II, crowns the hill in the northwest corner of the old city. The observatory, Jantar Mantar, is one of the World Heritage Sites. Included on the Golden Triangle tourist circuit, along with Delhi and Agra, Jaipur is an extremely popular tourist place in India.

About Manipal University Jaipur

The Manipal Education Group, with its heritage of excellence in higher education for over 60 years, launched Manipal University Jaipur (MUJ) in 2011. The permanent campus of the university is set up on 122 acres of land at Dehmi Kalan village near Jaipur, and is by far one of the best campuses in India. MUJ has world class infrastructure, including state-of-the-art research facilities and modern library. In line with Manipal University's legacy of providing quality education, the university uses the latest and innovative methods and technology to impart education.
It gives us immense pleasure to inform you that the Department of Physical Education (Arts), School of Humanities and Social Sciences, Manipal University Jaipur, Rajasthan, India is organizing an International Conference on “Emerging Trends in Fitness and Sports Science” from 5th - 7th January 2017. The aim of the conference is to provide platform to academicians, physical educationists, sports scientists, nutritionists, psychologists, physiotherapists, coaches, yoga experts, policy makers and research scholars to share their rich experience towards the promotion of physical education and sports and to create awareness for healthy and physically active life style.

**OBJECTIVES OF THE CONFERENCE**

- To create a physically fit global society.
- To develop new thought process in the field of Sports & Physical Education.
- To make the sports persons, scientist, coaches, researchers and students aware about issues relating to innovation in physical education and sports in a collaborative manner.
- To attain fewer sick days and protect a company’s greatest assets — the employees.
- To higher self-esteem and a greater team-building mentality.
- To increase energy and vitality in the workplace.
- To mobilize more optimistic and positive attitude.
- To improve the standard of family life and bring improvement in the workplace.

**SUB THEMES OF CONFERENCE**

- Exercise Prescriptions and Physical Fitness.
- Mental Health, Yoga and Research Pedagogy.
- Sports Medicine, Sports Injury, Aging and Exercise Physiology.
- Psychological Interventions and Sports Performance.
- Future Trends and Challenges in Physical Education & Sports.
- Sports Nutrition, Exercise Metabolism and Sports Performance.
- Sports Management and Economy of Nation.
- Recent Technical Innovation and Entrepreneurship in Sports.
- Socialization through Sports.
